Mini Sculptor

Cardboard Dimensions

In this workshop, kiddies will be designing and creating their own 3D structure. They will use a variety of different materials, whilst practising safe cutting, and having fun decorating.

Teaching Points:

Develop knowledge and understanding of shape, colour, balance and building.

Every Tuesday

\$Entry rate
10am - 10:30am | 2pm - 2:30pm
3pm - 3:30pm

Recommended 2yrs +

Baby Painting

Baby Painting

This is an open- ended, process based experience. It provides an opportunity to explore painting safely and freely. Kiddies will enjoy using their fingers and brushes to make marks with paint in their own way.

Teaching Points:

Improve creativity and develop knowledge and understanding of colour and shape.

Every Tuesday and Friday

\$Entry rate
11am - 11:30am

Under 18 Months

Mini Cooks

Healthy Snacks

The little ones will independently make their own healthy snacks to enjoy. There will be vegetables and fruit in every bite. Mini chefs will hopefully share their delights with the adults.

Teaching Points:

Develop knowledge and understanding of measurement and nutritional value. Increase independence with everyday skills, such as eating and effective hand washing.

Every Wednesday

\$Entry rate
11:30am - 12pm | 2pm - 2:30pm

Recommended 2yrs +

Mini Scientist

Science 101

Children will observe and test basic scientific concepts in a safe and creative play-based introduction to science. Investigate the fizzy fun of chemical reactions, create a mini moon as we learn about space, play with light and rainbows and find out about the biology of plants in these hands-on workshops.

Teaching Points:

Promote scientific thinking through predictions, observations, comparison and evaluation.

Every Thursday

\$Entry rate
10am - 10:30am | 11:30am - 12am
1:30pm - 2pm | 2:30pm - 3pm
