

School  
Holiday  
Fun!

The text 'School Holiday Fun!' is centered in the upper left quadrant. 'School' and 'Holiday' are in white, while 'Fun!' is in multi-colored letters (green, orange, pink, blue). The background is light blue with scattered confetti in various colors (green, pink, orange, purple) and several smiley faces drawn in different colors (orange, pink, blue).

Monday

## Nutrition Day

### Healthy Lunch

Little ones will independently make their own healthy lunch and + dessert to enjoy. They will learn all about the food groups (veggie/ fruits/ protein/ dairy/ grains) while preparing their own creations using ingredients from each group.

### Teaching Points

Develop fine + gross motor skills, coordination, learn to manipulate a variety of materials and practice sharing.

10am - 10:30am | 2pm - 2:30pm  
3.30pm - 4pm

Recommended 2yrs +

### Baby Painting

Baby painter is a super fun session that is an open-ended, process-based experience where babies can explore painting safely and freely. On Nubo's Nutrition Day babies will enjoy the sensory feel of painting with food to create their masterpiece.

### Teaching Points

Enhance dexterity, colour recognition, ability to manipulate a variety of materials and cognitive growth through sensory play.

11:30am - 12pm

Recommended under 2yrs

Tuesday

## Craft Day

### Sun Catcher

Sun Catcher is about selecting flowers and natural materials to create an art object that will let a colourful ray of light into your home!

### Teaching Points

Improve shape recognition, dexterity, ability to organise and sort objects, creative thinking skills and learn to manipulate a variety of materials.

10am - 10:30am | 2pm - 2:30pm  
3.30pm - 4pm

Recommended 2yrs +

### Baby Painting

Baby painter is a super fun session that is an open-ended, process-based experience where babies can explore painting safely and freely. The babies will enjoy using their fingers and brushes to make marks with paint in their own way.

### Teaching Points

Enhance dexterity, colour recognition, ability to manipulate a variety of materials and cognitive growth through sensory play.

11am - 11.30am

Recommended under 2yrs

Wednesday

## Active Day

### Baby Dance

Get your groove on! Babies will love connecting and feeling the music with parents / carers. They will practice guided body movements through imitation, repetition + exploration of rhythm.

### Teaching Points

Improve gross motor skills, balance, coordination and promote development of rhythm and pitch.

11am - 11:30pm | 2pm - 2:30pm  
3:30pm - 4pm

Recommended 2yrs +

### Workshops fees

Weekdays \$15  
Weekends \$20

### Holidays closed

Easter 19<sup>th</sup> - 22<sup>nd</sup> April  
Anzac Day 25<sup>th</sup> April

Wednesday

## Active Day

### Feel the Beat

The young ones follow simple choreography to move to the flow of music and feel the beat!

### Teaching Points

Develop gross motor skills, improve balance and coordination and promote development of rhythm and pitch.

11am - 11:30pm | 2pm - 2:30pm  
3:30pm - 4pm

Recommended 2yrs +

### Surprise Play

Let's play together as kids and carers join a group activity led by our play assistant! Every session is a surprise with games such as bowling, bubbles, dancing, obstacle course or free play with instruments.

### Teaching Points

Increase children's fine and gross motor skills, agility, coordination, balance and their ability to work cooperatively.

11:30am - 11:30pm | 3pm - 3:30pm  
All ages

Thursday

## Messy Day

### Rainbow Foam

Children will enjoy getting their hands messy as they create their own beautiful marbled paper. We will practice tracing stencils and cutting safely to create paper shapes, then explore colour mixing through sensory play with shaving foam and food colouring to create a swirly rainbow print.

### Teaching Points

Increase colour and shape recognition, fine motor skills and cognitive development through sensory play.

10am - 10:30am | 11am - 11:30pm  
3pm - 3:30pm

Recommended 2yrs +

### Parents and Bubs

In our Parents & Bubs workshops, we want the NUBO bubs to experience an incredible variety of sounds, smells, sights, music, movement and singing! The workshop aims to stimulate learning through baby's senses.

### Teaching Points

Observe and explore a variety of sensory stimuli, develop understanding of cause and effect and cognitive growth through sensory play.

11am - 11:30am  
Recommended under 1 yr

### Playdough Time

Kids will get hands-on creating play dough and enjoy getting messy! They will explore the texture of the ingredients and stimulate their senses by adding colours and smelling a variety of fragrances.

### Teaching Points

Increase fine motor skills, hand-eye coordination, colour recognition and cognitive development through sensory play.

2pm - 2:30pm | 3:30pm - 4pm  
Recommended 3yrs +

### Workshops fees

Weekdays \$15  
Weekends \$20

### Holidays closed

Easter 19<sup>th</sup> - 22<sup>nd</sup> April  
Anzac Day 25<sup>th</sup> April

Friday

## Together Day

### Magic Clouds

This workshop explores the process of creating a large-scale artwork. Children will share their dreams and work together on this group installation on a beautiful array of clouds!

### Teaching Points

Improve fine and gross motor skills, learn to manipulate a variety of materials, problem solving, sharing and expressing themselves verbally.

10am - 10:30am | 11am - 11:30am  
2pm - 2:30pm | 3:30pm - 4 pm

Recommended 2yrs +

### Surprise Play

Let's play together as kids and carers join a group activity led by our play assistant! Every session is a surprise with games such as bowling, bubbles, dancing, obstacle course or free play with instruments.

### Teaching Points

Increase children's fine and gross motor skills, agility, coordination, balance and their ability to work cooperatively.

11:30am - 11:30pm | 1:30pm - 2pm  
All ages

Saturday

## Perform Day

### Grooving and Moving

A music + movement workshop that will get kids dancing and singing to their heart's content! Your little one's unique rhythm and voice will be explored through simple moves and expressive sounds as the educator leads the group in fun dance, music and drama exercises.

### Teaching Points

Develop gross motor skills, improve balance and coordination and promote development of rhythm and pitch.

10am - 10:30am | 11a:30m - 12pm  
2pm - 2:30pm | 3:30 - 4pm

Recommended 2yrs +

Sunday

## Recycle Day

### Cardboard Masks

Kids will get crafty and save the planet by making their own recycled cardboard masks. What the children can turn in to is up to them - from a little lion, unicorn, polar bear, batman or other creative cardboard superhero!

### Teaching Points

Enhance fine motor skills, develop creative thinking and learn to manipulate a variety of materials.

10am - 10:30am | 11:30am - 12pm  
2pm - 2:30pm | 3:30 - 4pm

Recommended 2yrs +
