

Term 2 + Playdates

NUBO Chatswood

In need of a bespoke experience with your friends? Enjoy our Playdates!

This tailored, immersive NUBO experience brings parents, grandparents, or nannies together for the **ultimate journey** through **play**. With a private **creative workshop**, **explorative adventures** and **delicious baked treats** on offer you won't want to miss out!

Perfect for those with little ones **aged 6mths - 2yrs**.

Story Time

Enjoy your very own **story and rhyme time** (our mindful moment) where **imaginations soar** and little ones will experience a **tale come alive!**

Explorative Play

Build, slide, climb, role play and **let loose** to show off **physical** and **social skills** with the rest of our NUBO village, not to mention burning off all that **kid energy!**

Creative Learning

Cognitive and **sensory** skills come alive in a 30min **painting/sensory workshop** guided by our super awesome Educators, who together with you and your little ones will **get creative!**

Artist

Watch Me Paint

Ken Done's will be smiling from ear to ear in this workshop, expressing themselves through a variety of painting techniques! Key creative + gross motor skills will flourish... full learning power through messy play!

- Wk 1 + 6 Colours
- Wk 2 + 7 Shapes
- Wk 3 + 8 Composition
- Wk 4 + 9 Textures
- Wk 5 + 10 Collaborative Mural

Teaching Points

Improve creative thinking, learn to verbally share ideas and work cooperatively.

Recommended Age

- Little 2 - 3 yrs
- Big 3+ yrs

Crafter

Crafts for movement

This hands-on experience is super cute, with arty animals the take-away to keep! Your child will craft a unique vision of what their animal will be by using a mix of materials, techniques and a plethora of colours to create a whole zoo's worth of 'pets' by the end of term! Each week the animal will be chosen based on a game, song or book, making this a fully immersive workshop.

- Wk 1 + 6 Threaded Snakes
- Wk 2 + 7 Bunny Maracas
- Wk 3 + 8 Birdy Balloons
- Wk 4 + 9 Bouncy Jellyfish
- Wk 5 + 10 Sensory Butterflies

Teaching Points

Develop fine motor skills, creative thinking and improve coordination.

Recommended Age

- Mini 1 - 2 yrs
- Little 2 - 3 yrs
- Big 3+ yrs

Cook

What my body needs

We explore nourishing foods that all bits of our bodies need to be healthy + happy. Little ones will be encouraged to taste new ingredients and be adventurous with combinations!

Teaching Points

Gain increased coordination, balance, flexibility and develop a positive sense of self.

Recommended Age

- Mini 1 - 2 yrs
- Little 2 - 3 yrs
- Big 3+ yrs

Musician

Nutritionist

Painter

Performer

Scientist

Music and Friends

What's better than a good tune + friends? We explore the values of music to the core and show off skills of being a great musician! This fun workshop will ensure each child makes positive and engaging connections with their workshop mates, and learn a new song each week.

Wk 1 + 6 My Family
Wk 2 + 7 My Feelings
Wk 3 + 8 Teamwork
Wk 4 + 9 How to be a friend
Wk 5 + 10 Mini Performance

Teaching Points

Develop empathy, enhance gross motor skills, deepen knowledge and understanding of rhythm and pitch.

Recommended Age

Little 2 - 3 yrs
Big 3+ yrs

Upstream Nutrition

Future foodies live here! Upstream Nutrition is for those who love their food (particularly eating it!) Little ones will be guided through sensory activities where they will explore each week a different fruit or veggie and discuss the importance of eating a rainbow! This positive session encourages healthy food choices and exploring new tastes with catchy songs and dramatic play with our buddies.

Wk 1 + 6 Green
Wk 2 + 7 Red
Wk 3 + 8 Orange
Wk 4 + 9 Purple
Wk 5 + 10 Yellow

Teaching Points

Develop understanding of healthy foods and nutrition and language acquisition.

Recommended Age

Little 2 - 3 yrs
